**Subject: Thank you - Pierre Fauchard Academy Award of Excellence in Memory of Dr. Barry Dolman**

Dear Sir or Madam,

Thanks to your generous contribution to the Faculty of Dentistry of the University of Montreal, I was fortunate to have been selected for the Pierre Fauchard Academy Award of Excellence in Memory of Dr. Barry Dolman. I would like to express my warmest thanks for this great honor.

I am currently an associate dentist since June 15 in downtown Quebec City. I have had many enriching and unforgettable experiences during my 5 years of study at the University of Montreal in the dental program. The professors and clinicians, who supported me and encouraged me to surpass myself and to continually strive for excellence, allowed me to become the dentist I am today. This award helps me financially to start my new life as a dentist, and also gives me confidence in my beginning of practice. It is a great recognition that reinforces my confidence in the expertise I have acquired throughout my years of study. My goal is to work in the regions, perhaps in the Lower St. Lawrence, in a few years. In the meantime, I would like to be a clinician at the University in addition to my work in private practice, in order to share my knowledge and to keep in touch with the academic world.

I am very grateful to have been awarded the Pierre Fauchard Academy Award of Excellence in memory of Dr. Barry Dolman. Dr. Dolman, for example, even taking the time to wish us a happy birthday each year, marked the students with his continued presence in our community. It is an honor to receive an award bearing his name.

Please accept the expression of my sincere gratitude and my most distinguished sentiments.

Dr. Raphaëlle Martin
