PFA CANADA REPORT

-Dr. Sam Sgro is the new section chair for Quebec. Thank-you Sam for assuming the position!

-Congratulations go to all Canadian sections. Each one won the model section award. (The sections are, the Maritimes, Quebec, Ontario, western provinces and British Columbia).

-PFA Canada presented a \$5000 cheque to the PFA foundation.

-We all want to thank Dr. Tom Breneman for doing an awesome job as our trustee. Those are mighty big shoes to attempt to fill.

-At the PFA Foundation board meeting in San Antonio, it was agreed to continue funding scholarships for each of our ten dental schools.

-We have two induction ceremonies planned for this year. The main one will be in St. John's, Newfoundland, in association with the Canadian Dental Association annual meeting. It is scheduled for August 28, 2015 and Dr. Alf Dean will be running that show.

-The other one will be in Montreal, Quebec, in conjunction with "les Journees Dentaire International du Quebec" on May 24, 2015. Dr. Sam Sgro will be directing from the helm.

Respectfully submitted
