

QUEBEC INDUCTS 39 NEW FELLOWS!

The Quebec section of the Pierre Fauchard Academy held its awards and induction ceremony in Montreal May 24, 2015. The venue was spectacular. The event, from cocktails to presentations to supper and dessert was held outdoors on a rooftop terrace, overlooking the city and the river. Our international President, Dr. Karyn Stockwell was in attendance.

Dr. Guy Maranda and Dr. Danielle Joly each received the distinguished dentist citation.
