Midyear Canadian Trustee Report 2016-2017

Canada has an upcoming Awards and Induction ceremony in Toronto, Ontario scheduled for May 5, 2017. This will be held during the Ontario Dental Association's annual spring meeting held in conjunction with the Canadian Dental Association's annual convention. Dr. Drew Smith, our new section chair for Ontario will be in charge.

A pillar of the Pierre Fauchard Academy family, Canadian region, passed away October 30, 2016. Dr. Aldo Boccia represented us as our Ontario section chair. At our upcoming ceremony in May, we shall present to his family the out going section chair plaque as well as the Certificate of Merit that we had planned on giving to him prior to his passing.

Dr. Daniel Haas, the dean of the faculty of dentistry, University of Toronto will be awarded the Distinguish Dentist Citation.

PFA Canada will be presenting a donation to a local dental charity, "About Face". One student from each of the 10 Canadian faculties of Dentistry will be present to receive a scholarship. The scholarships come from the PFA foundation. What an excellent disbursement from our own foundation, in a venue that will encourage these future dentists to be the leaders of tomorrow and future PFA fellows.

The highlight of our May event will be the installation of somewhere between 30 and 40 new fellows. We are looking forward to our largest event of the year. Hopefully some of you will be able to attend, you are all cordially invited.

Respectfully submitted 20170203
