

CANADIAN AWARDS & INDUCTION CEREMONY

PFA CANADA REPORT MARCH 2016

The Canadian Annual Awards and Induction ceremony was held March 18, 2016 in the beautiful Oceanview room of the Pan Pacific Hotel in Vancouver, British Columbia.

Dr. David Zaparinuk, the British Columbia section chair, was responsible for the organization of the event and he did a wonderful job, as he always does.

About 100 people were in attendance, including our international president elect, Dr. Barry Feder along with his charming spouse, Kristi. Dr. Feder brought us international greetings and spoke about the Academy.

Also in attendance were past international president, Dr. Dan Castagna and our Executive director, Ms. Loralie Lowder.

Dr. Tom Breneman, our past PFA Canadian Trustee, did the invocation.

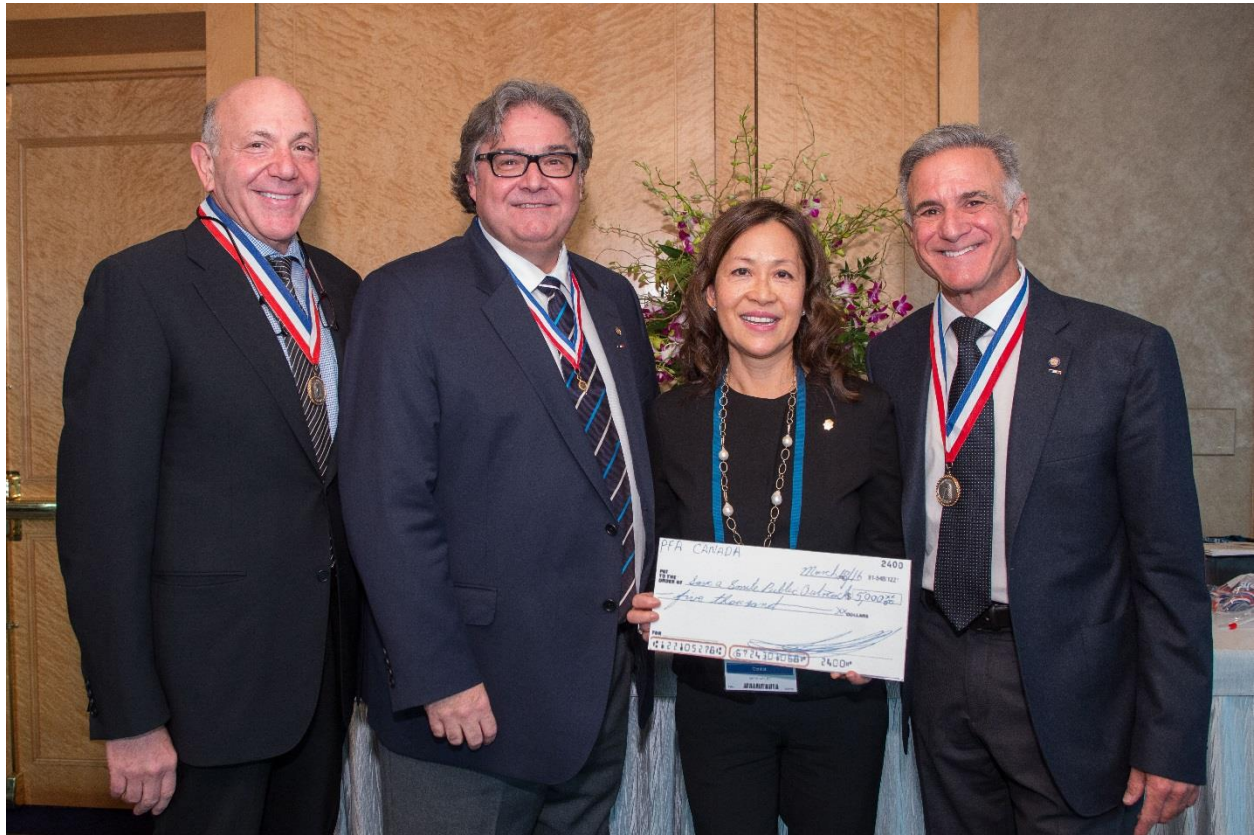

Dr. Dan Castagna acknowledged the fine work of Dr. Bruce Ward, the outgoing British Columbia section chair and presented to him a plaque in recognition of his service to the academy.

Dr. Zaparinuk introduced Dr. Angelique Leung of the UBC-BCDA Save a Smile Public Outreach Program, who spoke about the excellent charitable work performed by that group.

Dr. Zaporinuk, along with Dr. Barry Dolman, our PFA Canada chair and Dr. Jerry Dushkin, PFA Canadian Trustee then presented a check for \$5000 from PFA Canada to that charity.

Our BC section chair, Dr. David Zaporinuk, presented Jocelyn Johnston, executive director of the British Columbia Dental Association, with an Honorary Fellowship into the Pierre Fauchard academy.

A \$1000 scholarship was presented to a student from each of the 10 Canadian faculties of dentistry. This Canadian Annual Scholarship Award is given for “outstanding scholarship and clinical research at the undergraduate level”. On behalf of Dr. Kevin Roach of the PFA Foundation, Dr. Dolman, PFA Canada Chairman, presented the checks to the following recipients.

Steven A. Arcand	University of Saskatchewan
Edward Sutton	Université de Montréal
Kiavash Hossini	University of British Columbia
Michael Tiedemann	Western University
Thomas W. Steeves	Dalhousie University
Vincent Mireault	Université Laval
Julie Delcorde	University of Toronto
Mitchell R. Naito	University of Alberta
Bryan Wong	University of Manitoba
