Midyear Canadian Trustee Report

Canada has an upcoming awards and induction ceremony in Vancouver, British Columbia scheduled for March 18, 2016. This will be held in conjunction with the Pan Pacific Conference and the Canadian Dental Association. Dr. David Zaporinuk, section chair for British Columbia is in charge. Dr. Bruce Ward will be presented with a plaque thanking him for his service as the outgoing section chair for British Columbia.

Jocelyn Johnston, the Executive Director of the British Columbia Dental Association will be awarded an Honorary Fellowship. PFA Canada will be presenting a donation to our local dental initiative, the UBC - BCDA Save a Smile Public Outreach Program. One student from each of the 10 faculties of dentistry in Canada will be present to receive a scholarship. The scholarships come from the PFA Foundation. What an excellent disbursement, from our own foundation, in a venue that will encourage these future dentists to be the leaders of tomorrow and future PFA fellows. The highlight at the event we will be the installation of 35 new fellows. Our president elect, Dr. Barry Feder will be joining us and shall present the new inductees with their certificates.

We are also gearing up for next year's Awards and Induction Ceremony to be held May 2017 in Toronto, Ontario.

Respectfully submitted 20160203
